### MAD RIVER ADVENTURES

#### PRELIMINARY WORKS

##### Project Summary

It is an online site that constantly searches new ways to grow our family of paddlers. We create a different world of great adventures, characterized by a re-creative and exciting moment you ever had. We organize tournaments for youth and decertify a great price to the winner.. Even for those who are newly introduced to the canoeing world, we offer a special selection of Recreational Canoes. In addition, we tell people what they need for their equipments. People will always enjoy the place because we have all around, indoor/outdoor pool & tennis, weight room, saunas, hot tub, playground for games (basketball and volley), vacation homes, and luxury properties.

##### Departments

###### Home:

A list of the page, a list of services with images. Giving little more details about each one. Canoeing, Kayaking and Rafting. At the right of the page, showing past events and new events, or else videos of people canoeing. Address , copyright and links on the footer of each page.

###### About Us:

Content1. Talking about the goal and what services we offer.  
Content2. Map drawn, giving a general direction of the place.  
Content 3. Our hours of operation details.
