### PROJECT SUMMARY:

**EDWARD HOPPER** website serves most as a biography of the artist , representing him more like a great painter of his lifetime. He was realist painter full of introspection and solitude and he express all his feeling in his painting style. Some of his works are represented on the banner and associated to his name to show up better his style and technics.

### THE WEBSITE HAS 6 NAVIGATIONAL LINKS:

1.) His Index page

It was made simple and served to introduce more the idea that he was: 'The most important Artist of his time' .

2.) His Biography : Talking about his self-portrait more in details

3.) His Timeline: A list of major events in the life of EDWARD HOPPER and other historical events that happened within his lifetime.

4.) His Gallery: 5 images of some of his works , which include descriptions of thumbnails link to larger display image.

5.) His Contact: My email as ontact is listed as well as the link of the site source.

6.) His Credits: My email, as to another famous gospel artist singer site.

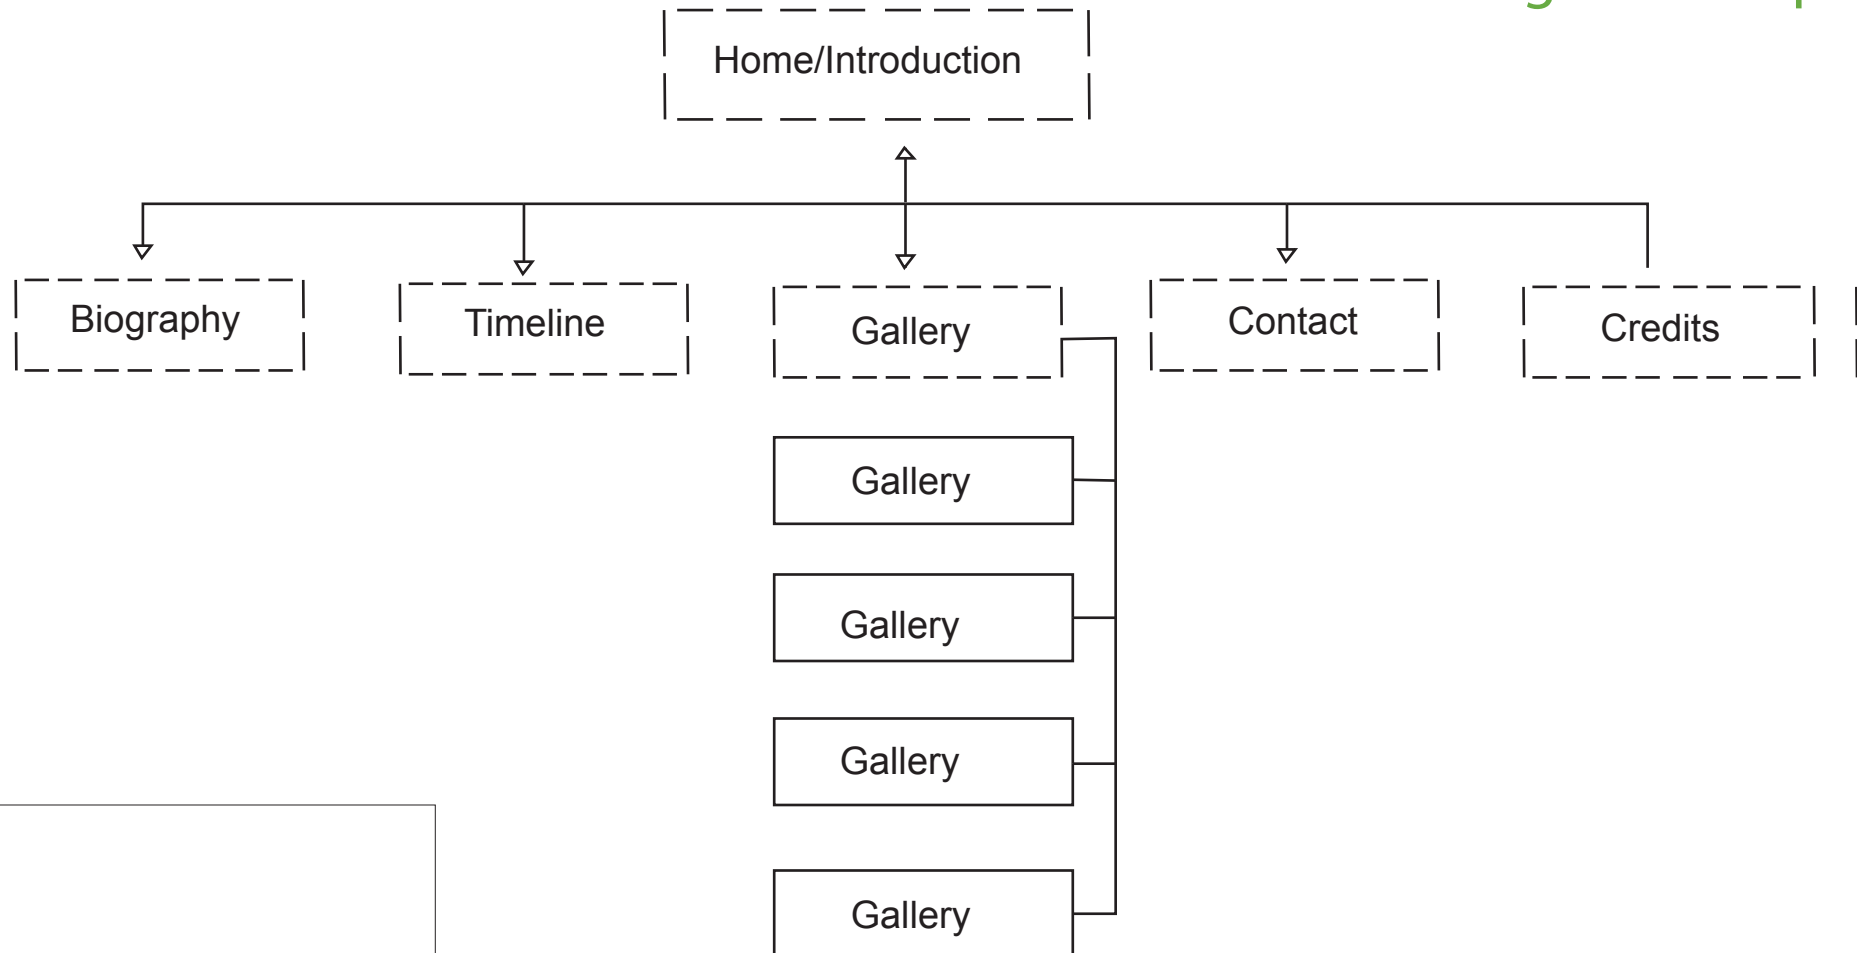

**DESIGN SUMMARY:** Neutral colors are used in addition to green, black, white are the color most used in the design. Also, fonts are sans-serif.

**AUDIENCE PROFILE:** People older than fifteen years old.

**PERCEPTION / TONE:** Visitors to this site should feel the presentation clean organized and informative as well as being easy to navigate.
